1. ✈️ Arrival Survival Guide

Airport to City Transportation

Bangkok (Suvarnabhumi Airport - BKK)

OPTION	PRICE	DURATION	NOTES
Airport Rail Link	**45 THB**	30 min	Cheapest option, connects to BTS/MRT
Grab/Bolt	**250-400 THB**	45-90 min	Door-to-door, depends on traffic
Airport Taxi (Meter)	**300-500 THB + fees**	45-90 min	Official queue on Level 1
Airport Limo	**900-1,200 THB**	45-60 min	Pre-booked, comfortable

💡 **Pro Tip:** Download Grab and Bolt apps BEFORE you land. They work better than regular taxis and show upfront prices.

First 24 Hours Checklist

- ✅ Get Thai SIM card at airport (see Module 3)
- ✅ Exchange some cash (5,000-10,000 THB recommended)
- ✅ Download essential apps: Grab, Bolt, Google Translate, Google Maps
- ✅ Save hotel address in Thai language for taxi drivers
- ✅ Set up mobile banking/payment apps
- ✅ Register with Israeli Embassy (optional but recommended)

Visa Information

Israeli Citizens:

- **Visa on Arrival:** 30 days free (if arriving by air)
- **Extension:** Can extend 30 more days at immigration office (1,900 THB)
- **Documents needed:** Passport valid 6+ months, return ticket, hotel booking
- **Important:** Overstaying costs 500 THB per day (max 20,000 THB)

2. ⚠️ Top Scams to Avoid

🚨 **IMPORTANT:** Thailand is generally safe, but tourists are common targets for scams. Stay alert!

Common Scams

1. "Temple is Closed" Scam

How it works: A friendly local tells you the temple/palace is closed for a Buddhist holiday or cleaning. They offer to take you to a "better" temple or gem shop instead.

Reality: Major temples are rarely closed. This leads to overpriced gem shops or tour packages.

How to avoid: Ignore strangers near tourist sites. Check temple hours online. Walk to the entrance yourself.

2. Tuk-Tuk "10 Baht Tour"

How it works: Driver offers incredibly cheap city tour (10-20 THB). Takes you to gem shops, tailor shops where they get commission.

Reality: You waste 2-3 hours shopping, face high-pressure sales tactics.

How to avoid: Use Grab/Bolt instead. If using tuk-tuk, agree on price and destination first. Say "NO SHOPPING" clearly.

3. Jet Ski Rental Damage Scam

How it works: After returning jet ski, operator claims you damaged it. Demands 30,000-50,000 THB cash immediately.

Reality: Damage was pre-existing or fabricated.

How to avoid: Take photos/video of jet ski BEFORE renting. Rent from reputable shops with good reviews. Never pay cash for "damages" - call tourist police 1155. Consider skipping jet skis entirely - parasailing is safer.

4. Ping Pong Show Overcharge

How it works: "Free entry" to ping pong show. Bill arrives: 5,000-10,000 THB for drinks. Bouncers block exit.

Reality: Drinks are marked up 50x normal price.

How to avoid: Ask for menu with prices BEFORE ordering. Walk out if no menu. Call tourist police if threatened.

5. Taxi Meter "Broken"

How it works: Taxi driver says meter is broken, quotes flat rate (usually 3-5x normal price).

Reality: Meter works fine, driver wants to overcharge.

How to avoid: Use Grab/Bolt. If taxi, insist on meter. If refused, take another taxi.

💡 **Emergency Contact:** Tourist Police 1155 (English speaking, 24/7)

3. 📱 SIM Card Guide

Top 3 Providers Comparison

PROVIDER	TOURIST PACKAGE	PRICE	BEST FOR

AIS	15 days unlimited data + 100 THB calls	**299 THB**	Best coverage in islands and rural areas
DTAC	15 days unlimited data	**249 THB**	Best value for money
True	30 days unlimited data + free WiFi hotspots	**399 THB**	Longest validity, good for extended stays

Where to Buy

- **Airport:** Booths in arrival hall (open 24/7, slightly more expensive but convenient)
- **7-Eleven:** Available at most locations (cheapest option)
- **Provider Stores:** AIS, DTAC, True shops in malls

What You Need:

- Unlocked phone
- Passport (required by law for SIM registration)
- Cash (most airport booths don't take cards)

Setup Instructions

1. Staff will install SIM and activate for you (takes 2-3 minutes)

2. Test data connection before leaving store

3. Save provider's app for checking balance/topping up

4. To top up: Buy refill cards at 7-Eleven or use provider app

💡 **Pro Tip:** Get SIM immediately at airport. Don't wait until city - you'll need Google Maps and Grab right away!

4. 🚕 Transportation Rules & Tips

Ride-Hailing Apps (BEST OPTION)

Grab (Most Popular)

- Works like Uber - upfront pricing, cashless payment
- Available in all major cities
- Options: GrabCar (regular), GrabCar Premium, GrabBike (motorcycle taxi)
- Average cost: 50-150 THB for most city trips

Bolt (Cheaper Alternative)

- Usually 10-20% cheaper than Grab
- Fewer drivers, longer wait times
- Same features as Grab

InDriver (Negotiable Prices)

- You set your price, drivers counter-offer
- Can get very cheap rides
- Requires more effort/negotiation

Taxis

⚠️ **Warning:** Many Bangkok taxis refuse to use meter or refuse short trips. Grab/Bolt is more reliable.

If using taxi:

- Always insist on meter ("meter please" or "meet-ter")
- Starting fare: 35 THB
- Typical 5km trip: 60-100 THB
- You pay tolls (20-70 THB) on top of meter
- Tip not expected but appreciated (round up to nearest 10)

Renting Motorbike/Scooter

🚨 **CRITICAL INFORMATION:**

- You MUST have International Driving Permit (IDP) to legally rent/ride
- Police checkpoints are common - fine is 500-1,000 THB without IDP
- Accidents without IDP = insurance won't cover you
- Helmet is MANDATORY (200 THB fine if caught without)

Rental Tips:

- Price: 150-300 THB/day depending on bike and location
- Take photos of ALL damage before riding away
- Check brakes, lights, horn before accepting bike
- Never leave passport as deposit - photocopy only
- Get insurance if offered (50-100 THB/day, worth it!)

5. 💰 Money Exchange & Banking

Best Exchange Rates

OPTION	RATE QUALITY	FEES	NOTES

SuperRich (Orange/Green)	⭐⭐⭐⭐⭐	0%	Best rates in Thailand, multiple Bangkok locations
Vasu Exchange	⭐⭐⭐⭐⭐	0%	Competitive with SuperRich, fewer locations
Bank Exchange Booths	⭐⭐⭐⭐	0%	Decent rates, widely available
Airport Exchange	⭐⭐⭐	0% but poor rate	Convenient but 3-5% worse than SuperRich
Hotel Exchange	⭐⭐	0% but poor rate	Worst rates, avoid unless emergency

ATM Withdrawals

⚠️ **High Fees:** Thai ATMs charge 220 THB per withdrawal + your bank's foreign transaction fee (usually 2-3%)

How to minimize ATM fees:

- Withdraw maximum amount per transaction (usually 20,000-30,000 THB limit)
- Use ATMs inside banks (safer, better maintained)
- Best banks for tourists: Bangkok Bank, Kasikorn Bank (purple), SCB

10. 🛍️ Shopping & Bargaining

Where to Bargain vs Fixed Price

BARGAINING EXPECTED:

- Floating markets
- Beach vendors
- Tuk-tuk rides
- Tailor shops

FIXED PRICE (don't bargain):

- Malls and department stores
- 7-Eleven, Family Mart
- Restaurants
- Grab/Bolt rides
- Pharmacies

How to Bargain Politely

1. **Ask the price:** "Tao-rai krap/ka?" (How much?)
2. **Show interest but don't commit:** Look at item, check quality
3. **Offer 40-50% of asking price:** Smile and counter-offer
4. **Negotiate up slowly:** Meet somewhere in middle (usually 60-70% of original)
5. **Walk away technique:** If price too high, walk away. They often call you back with better price
6. **Buy multiple items:** "If I buy 3, what price?" gets better deals
7. **Stay friendly:** Smile, joke, don't get angry. It's a game!

💡 **Example:**

Vendor: "This shirt 500 baht"

You: "Too expensive! 200 baht?" (smile)

Vendor: "No no, 450"

You: "250 baht, final price" (start walking)

Vendor: "OK OK, 300 baht for you!"

You: "Deal!" (shake hands)

11. 🏖️ Beach Safety & Water Activities
